### 5 CLASSIC 3D TECHNIQUES

Advanced 3D technology that opens new dimensions to the massage experience. Perfected by a 3D mechatronic system with smart PCB control to give you 5 different massage techniques: Kneading, Knocking, Shiatsu, Sync and Tapping.

### 7 FOCUS REGIONS

Accurately targeting 7 key essential focus regions: Eyes, Neck, Back, Arms, Hips, Calves and Feet. More than physiological benefits, a massage also stimulates and relaxes the muscles and nerves.

### 24 PAIRS OF AIR BAGS

Equipped with a total of 24 pairs of strategically positioned air pressure massage units. Targeting the vital acupressure points, feel refreshed and invigorated as overall blood circulation improves and muscle tension is alleviated.

### ZERO GRAVITY

Thoughtfully designed for a weightless experience and maximum relief. At this optimum body massage position, body weight is evenly distributed and the spine gets a much needed relief.

### LUXURIATE FIT

Recline into the massage chair that welcomes all users with no reservations. Indulge for an extravagant massage that is congenial for your comfort.
