Straighten Out!!

Garment Steamer SS38

EFFORTLESS AND DEPENDABLE

novita Garment Steamer SS38 smoothen wrinkles and creases from any fabric, be it delicate silk, cotton or even stiff denim! A convenient solution for last minutes touch-ups or intensive steaming, SS38 starts up quickly and is gentle enough for your everyday garment care. Configured with a 2-in-1 vertical and horizontal steaming function, you can either steam upright vertically or horizontally on SS38's built-in ironing board. Enjoy extra stability and support with the double retractable connection rod. Additionally, equipped with safety protection features, choose novita Garment Steamer SS38 for a fuss-free steaming experience today!
